## Customer Satisfaction Guaranteed!

Delron warrants our remanufactured/compatible imaging supplies to be free from defects in both material and workmanship. At our option, Delron will replace the item and / or refund the purchase price (or portion there-of) of any item found to be unsatisfactory, for any reason, by our customer.

All cartridges are covered by a 100% manufacturer's warranty. We guarantee any of our remanufactured /compatible cartridges to be free from defects from the date of purchase for one year. Cartridges must have at least 50% toner remaining for a full credit. Cartridges with 20 - 50% remaining will be credited for that portion only.

In addition, we further warrant that our products will not cause damage, deterioration or abnormal wear in any compatible machine for which they were originally designed. This warranty covers all equipment used within the manufacturer's specifications and does not include acts of God or nature.

If a defect in any product is found to be the sole cause of damage to any equipment, Delron will clean or repair the printer to the customer's satisfaction.

Return of the defective product is required and must be clearly marked with a Delron issued RMA on the outside of the package. Any sign of tampering with the product by non-Delron personnel will void this warranty. Delron's liability shall be limited to repair, replacement or reimbursement as stated above. This warranty is exclusive and in lieu of any and all other warranties, express or implied.
